I, the undersigned or the undersigns, parent or guardian if under the age of 18, realize that there is a risk of dog bite and bodily injury while participating in obedience or dog training. I understand that there are risks of participating in obedience or dog training of which I am about to engage. I realize that it is my responsibility to learn safe practices and follow the directions and heed cautions. I am prepared now, and in the future, to accept responsibility for all of the risk of personal injury, disfigurement or death that is possible as I engage in obedience or dog training. In addition, I understand that horses are housed on the property.
